    - Region II
    - PNL
  - Progress Energy
  - Entergy
  - South Carolina Electric & Gas
  - Nuclear Management Corporation

Duke Management View

- Duke Power sees the NFPA-805 Transition as a vital step in bringing our nuclear units up to the state of the art in nuclear fire protection
- The NFPA-805 Transition has been established as a Nuclear Generation Department Operational Focus Initiative (One of our top nuclear management thresholds)
- Establishing and maintaining an open and effective communication path with the NRC is key to the success of our NFPA-805 Transition
