Subject: Physical Inventory Report
(License Number SNM-33, Docket 70-36)

Reference: Westinghouse letter dated June 20, 2002 from A. J. Nardi to Document Control Desk, USNRC.

In accordance with the plan for conducting the 2002 Physical Inventory (Reference 1), the Westinghouse Hematite Facility initiated the physical inventory on July 22, 2002. Westinghouse hereby submits the attached report on the results of the inventory.

In accordance with the provisions of 10CFR2.790(d)(1), Westinghouse requests that the attached report be withheld from public disclosure.

If you have any questions concerning this submittal, please contact me.

Sincerely,

A. Joseph Nardi, Supervisory Engineer
Environment, Health and Safety
