Re: FOIA / Nuclear-Radioactive Activity Ft Campbell KY

FOIA/PA REQUEST
Case No.: 2010-0255
Date Rec'd: 6-14-10
Specialist: Christian
Related Case:

I, Steve A. Horbol, do hereby request, under the Freedom of Informati Act, any and all information related to, but not limited to, the use, storage manufacture, disposal, experimentation, and transportation of nuclear and/or radioactive material at the US military base know as "Fort Campbell, Kentucky specifically the area known as the "Birdcage" and the area of bunkers situated in the mountains on the Tennessee side of the above mentioned base, south of the compound which billeted the 2nd Squadron 17th Air Cavalry. This unit was located at this compound on their return from the Republic of Viet Nam on or about the year 1972. This area was a top secret atomic weapons site known as the "Clarkville Facility" due to its proximity to Clarksville TN. The dates of the above request span the time frame from 1965 through 2005. Also include information on the closing or denial of access to this area. The intent of this request is for health related matters.

By my signature I consent to pay any reasonable costs to acquire this information above the limits set by law. Thank you.
