I am lining up the reviewers now and hope to get you a few possible days/times early next week. These guys truly reflect the phrase 'like herding cats'!

Thanks and I hope you are also well.

Is there any status on a call with your fatigue reviewer per Joe Lynch's request (Pilgrim Commitments 31 and 35)?

We have the basis for a good submittal, but want to preclude numerous RAIs if possible. A brief discussion with the reviewer will be mutually beneficial

Regards---Fred

Subject: FYI: License Renewal guidance documents

Fred,

I wanted to make you aware of the issuance of new license renewal guidance that will be important for you (esp. the second):

1) NRC REGULATORY ISSUE SUMMARY 2007-16, REVISION 1, IMPLEMENTATION OF THE REQUIREMENTS OF 10 CFR 54.37(b) FOR HOLDERS OF RENEWED LICENSES (ML100250279)

2) LR-ISG-2009-01, "Aging Management of Spent Fuel Pool Neutron-Absorbing Materials other than Boraflex," http://www.nrc.gov/reading-rm/doc-collections/isg/license-renewal.html

I hope you're well.
Lisa
