George,
I have talked to Jerry Dozier, Branch Chief in the License Renewal Aging Management Branch. Jerry reviewed the information provided by the applicant and is fine with the information. I will write two or three paragraphs in the SER and will get it blessed by Jerry.
Thanks,
Raj

Raj,

Have you had a chance to contact NRR and resolve the issue on plant aging management?? It would be nice if we could address it next week at ACRS.

Thanks,

George
