Drew,

I'm happy to hear that they are interested in coming.

I would need the same information from each of the NFMS individuals as for NRC contractors.

Thanks for passing on this information!

Have a great day,
Michelle

Michelle -

I wanted to follow-up and let you know that we've received some interest from the National Marine Fisheries Service (NMFS) in attending part of the site audit. I'll follow-up with them and find out more.

As you likely saw, our scoping letter to them invited them to attend if they were interested. I would anticipate that they may wish to participate during one or two days of the audit. NMFS is one of the agencies with which we consult on matters related to the Endangered Species Act. In addition, they also handle matters related to the Magnuson-Stevens Sustainable Fisheries Act (i.e., related to Essential Fish Habitat).

Please let me know whether we'd need to make any special arrangements for these individuals aside from the procedures for NRC staff and contractors. If you have any questions about this matter, please feel free to call me!

Best,
Drew
