

UCB Department of Nuclear Engineering Faculty Development Program

Executive Summary

The Department of Nuclear Engineering at the University of California, Berkeley proposes a faculty development program to support the new faculty member selected and appointed as a tenure-track, Assistant Professor as a result of our current faculty search. The proposal requests a total of \$450,000 over a 3 year period, to be matched with \$150,000 in startup funds provided by the Department and College at the University of California, Berkeley.
