Subject: Call to discuss the 10.2 draft RAI responses
Importance: High

Good morning Stacy and Tom,

For the subject call this morning, I have reserved a number and pass code that is separate from that used for the open items call with Mike starting at 9 a.m.

On our end, we have too many interested parties to be accommodated in the location we use for the open items call and there is always the potential for the O/I call to run past 10:00 a.m., so this seemed like the safest plan.

Your number and pass code is: 866-692-4541; 9485921.

Thank you.

Jim
