Greg,

We are not able to find EPRI TR-107390. The number for the EPRI Closed Cooling Water Chemistry Guideline is TR-107396. Attached is the EPRI 1007820. The title said it is revision 1 to TR-107396. Chapter 4 is titled "Technical Basis of Treatment Chemicals."

I hope this is the document you are looking for. If not, let me know. This document is also on IMS #199.

Best,
