UNITED STATES
ATOMIC ENERGY COMMISSION
DIVISION OF COMPLIANCE
REGION II – SUITE 818
230 PEACHTREE STREET, NORTHWEST
ATLANTA, GEORGIA 30303

TELEPHONE: 526-4537

IN REPLY REFER TO:

August 7, 1968

To: J.T. Sutherland, Senior Radiation Specialist, Region II, Division of Compliance, Atlanta, Ga.

From: H.H. Young, Radiation Specialist

Subject: Inspection Evaluation and Opinion, Union Carbide Corp., South Charleston, W. Va., Lic. No. 47-2608-6

No health or safety problem was noted during this inspection. The licensee facilities and equipment appear to be adequate. Good health physics procedures appear to be in force. Licensed material has been secured against unauthorized removal. Persons interviewed were very cooperative.
