Subject: 2011-03-18 Woodlan, Correction to request re RAI 206 - Access to DCD documentation

Steve,

I mis-stated my request. We need a 60 day extension. This would make the due date 5/26/2011.

Steve,

We need some extra time to develop and get approval of our response to RAI-206 (5549) regarding access to DCD documents. Because this is a contractual matter we need to get our attorneys involved and that always takes longer. If there is no unacceptable impact, we would to provide a 60 day response which makes the new due date 4/26/2011. Please let me know if this is okay.
