Unfortunately, our SMEs are not available tomorrow. They are already committed to another activity. Please propose a day and time next week and we will do our best to be available.

Don and John,

The staff has identified an additional time to have a phone call. Please let me know if any of these will work. Otherwise the call will need to be next week.

Dennis,

My contractor and I will be available today until 5pm, or tomorrow from 1pm to 2pm.
This phone call shouldn't take more than 20 minutes.

Don,

I called into the conference call at 3:00 PM at the number provided by Steve but no one else joined (see attached). I hung up after 15 minutes. Milton Valentin also called in. Please let me know when we may reschedule the call. It will either have to be before 5:00 pm today or next week.

Thanks,
