NOV 27 1973

Docket Nos. 50-438
and 50-439

Mr. Lyle A. Taylor
3301 Helena NW
Huntsville, Alabama 35810

Dear Mr. Taylor:

In regard to our November 20, 1973 letter to you, we have been able to locate one of the two National Academy of Sciences reports which were requested by Dr. Hale in our October 30, 1973 meeting. A copy of this report is enclosed. If Dr. Hale is able to supply more information describing the other report, we may also be able to locate that report.

Sincerely,

Original Signed

A. Schwencer, Chief
Pressurized Water Reactors
Branch No. 4
Directorate of Licensing

Enclosure:
National Academy of Science Report
