Laura,
Here is what Cristina and Katie have done about Dan's Hardegee reference on page 4-43.

Subject: Charles Hardegee

Dan,

What we ended up doing for the conversation you had with Charles was document the email you sent to Mark. But, Mark wants you send a formal letter to Mr. Charles Hardegee on the conversation and on the FEIS we would use that reference. If you have any question please let me know.

Thank you,
Cristina
