I asked to have 4 mailboxes set up last week and one needed to be a stand alone mailbox. The request from last week ref numbers are 248357 248359 248360 248361. The email mailbox named Vogtle_EIS_Comments@nrc.gov is the one mailbox that needs to be stand alone. This is a very fast turn around so that the email is fixed for tomorrow for us to test the system b/c it must be up and running for Friday's comment period for the public. Thanks and if you have any questions please call me.
