Hello,

I am performing an environmental assessment of the following property:

Celsis Laboratory Group/Scientific Associates
6200 S. Lindbergh Boulevard
St. Louis, St. Louis County, MO

License #s: 24-03548-01 and 24-32754-01

I would like to request records on file with the NRC under FOIA. I am interested in obtaining information regarding the use of radioactive materials at this facility. I am willing to pay the applicable fees; however, if the cost is to exceed $50, please let me know the estimated cost and what information I can expect to receive. Let me know if you have any questions or concerns. My contact information is below. Thanks!
