Docket: 030-36393
License: 40-27764-01
Control: 577874

Dear Ms. Ramirez,

This is in reference to your Certificate of Disposition of Materials, dated July 10, 2012 requesting termination of Nuclear Regulatory Commission License No. 40-27764-01. In order to continue our review, we need the following additional information:

Please provide copies of the Transfer and Receipt forms confirming transfer and receipt of materials to Avera McKennan Hospital.

We will continue our review upon receipt of this information. Please reply to my attention and refer to Mail Control No. 577874. You may attach your response as a PDF document via e-mail, or fax it to (817) 200-1083. If you have any technical questions regarding this deficiency letter, please call me at (817) 200-1140.

Please reply to this request by September 15, 2012.

Sincerely,

Carol L. Hill, *Licensing Assistant*
