Atomic Energy Commission
W. B. McCool, Secretary of the Commission
Washington, D. C. 20545

Dear Sir:

We have been informed that a public hearing will be scheduled to hear interested parties on the application of the Tennessee Valley Authority to construct two nuclear units at the proposed Watts Bar Nuclear Plant.

As an interested party and one whose interest may be affected I request permission to make a limited appearance at the public hearing.

Very truly yours,

W. B. Lewis
International Representative
