Jill,

I just got a call from Larry Wilson. Could you please send him a copy of the original (1975) license for Unit 3 for Indian Point? He prefers pdf if available in that format.

Also, he would like to know if he should formally submit the 3-4 CDs he gave to Dennis Logan last week. He said they contain publicly available information so I told him that I think formal submission for the record is not necessary since they're already publicly available. However, please contact him if that is not correct. I told him NRC would let him know if they need to be formally submitted as well.

Thanks,
Harriet
