Dara,
I did speak with Steve Klementowicz and the commitment letter is acceptable approach.
I also left a voice message for you.
Thanks,
JILL

Hi Jill
Did you get a chance to talk to Steve K about the transmission line info? Specifically, will the Con Ed letter certifying that the lines met the standard and identifying the calcs used to determine that be sufficient?

I am officially out on vacation but will be checkng my emails, if you have any info to give us, that would be great.
Thanks
