Dear Board:

As you may, or may not know, the offices of FUSE USA are in my home. Today, Mr. Turk reached out to our organization in an exparte manner wanting to speak with John LeKay, specifically wanting to ask questions on FUSE USA's new Superceding filing that was sent in to the NRC in time to meet the Board established filing deadline of Christmas Eve, December 24th, 2007.

To verify, and clarify, the offices of FUSE USA are closed for vacation until January 9th, 2008, which is when I return to work, and will re-open the office. Should you have any questions, please feel free to send them to the email address that I know the organization provided you in the filing. (fuseusadocket@aol.com) In the mean time, since FUSE USA's offices are in my home, since FUSE USA's phone rings in my home, since I and my wife are on vacation, please honor the fact that FUSE USA headquarters are closed and will not reopen until January 9th, 2008.

In the meantime, I have as a courtesy passed along the fact that Mr. Turk Called with an inquiry to the other members of FUSE USA who are handling the filing against Entergy. I am sure if Mr. Turk details his needs in an email, that a board meeting will be held to discuss whatever it is that he is in need of, and the appropriate people who have filed a notice of appearance will get back to him. Do apologize for any inconvenience this causes you, but I take my vacation time VERY SERIOUSLY, especially around a holiday as important as Christmas.

Respectfully,

Sherwood Martinelli
FUSE USA
