Florida Power & Light Company (St. Lucie Plant, Unit No. 1)	)	Docket No. 50-335A
Florida Power & Light Company (Turkey Point Plant, Units No. 3 and No. 4)	)	Docket Nos. 50-250A

APPLICATION FOR EXTENSION OF TIME

By Order of July 28, 1978, this Commission directed that the Parties to this proceeding respond to stated questions no later than August 25, 1978. Florida Cities have prepared a response to those questions in draft but, because of the vacation season have been unable to obtain clearance from all necessary persons for filing. The undersigned has contacted counsel for Florida Power & Light Company to determine whether a limited extension for all parties might be agreed upon. Florida Power & Light had, as of that time already filed its response. Consequently, Florida Cities move for a one-business day extension of time, to and including, Monday, August 28, 1978, for filing their response to the Commission's July 28, 1978 Order.

Respectfully submitted,

Robert C. McDiarmid
Attorney for the Ft. Pierce Utilities Authority of the City of Ft. Pierce, the Gainesville-Alachua County Regional Electric Water and Sewer Utilities, the Utilities Commission of the City of New Smynra Beach, the Orlando Utilities Commission, the Lake Worth Utilities Authority, the Sebring Utilities Commission, the Cities of Alachua, Bartow, Fort Meade, Key West, Lake Helen, Mount Dora, Newberry, St. Cloud and Tallahassee, Florida, and the Florida Municipal Utilities Association
