C.1 Renewal ---- Performance Evaluation Checklist

PERFORMANCE EVALUATION OF RENEWAL APPLICANT
Official Agency Record

Licensee: Health & Human Services, Food & Drug Administration, Center for Toxicological Research

License or Docket No: 03-15093-01

Control No: 471413

Records for the 5 years preceding this renewal application were reviewed and/or appropriate staff were interviewed with respect to the following performance indicators:

Performance Indicator	**Conclusion**	**If YES, explain:**
Escalated enforcement, or OI or OIG investigation occurred or ongoing	Yes ☐ No ✔☐	
Lost control of licensed material presumed in public domain that is reportable or resulted in a violation	Yes ☐ No ✔☐	
Unauthorized disposal or release of material that is reportable or resulted in a violation	Yes ☐ No ✔☐	
An overexposure that resulted in a violation	Yes ☐ No ✔☐	

If any of the above items are checked "YES", perform a Comprehensive Review using the applicable guidance contained in NUREG-1556. If all boxes are checked "NO", perform a Limited Review. An exception must be approved by a supervisor, documented on this form, or a copy of the documentation must be attached to this document for placement in the docket file.

Additional Information or Explanation of Exception

The review should be ☐ comprehensive ✔☐ limited.
