

Public Stakeholder Meeting

NRC Safety Culture Activities

December 15, 2005

Purpose

- To discuss the draft narrative of the approach to enhance the ROP
- To discuss ROP assessment enhancements
- To discuss procedure enhancements
- To discuss a draft framework and acceptance criteria for an evaluation test of the approach

Success for Meeting

- To reach a mutual understanding of ROP enhancements based on the Approach
- To reach a mutual understanding of a possible framework and acceptance criteria for an evaluation test of the Approach
- To reach agreement on Next Steps

Progress to Date

- Agreement on Objectives and Scope of the Safety Culture Initiative
- Convergence on NRC's use of the INSAG-4 definition of safety culture which is closely aligned to INPO's definition
- Development of and convergence on Option G
- Agreement on what is important to safety culture in terms of attributes or components
