Dave,

Based upon your email I will not schedule a public meeting between SMC and the NRC. Should it be determined at the end of next week's conference calls that such a meeting is needed such a meeting could not occur until after April 16th due to the unavailablity of certain NRC staff during the period of March 27th through April 10th.

I believe you were copied on several of the e-mail responses I got regarding the suggested date and time for a subject meeting. As you have seen SMC at this time doesn't desire to have meeting since the conference calls seem to be resolving the issues at hand.

Thanks

Dave
