For Information Only – PWROG-19027-NP Revision 0 "Newly Developed Method Requirements and Peer Review" per PA-RMSC-1647

Dear Ms. Fields and Members of the JCNRM:

The PWR Owners Group has developed the subject line report as part of a Project Authorization in the Risk Management Committee which is focused on Probabilistic Reliability Assessments specifically what is being referred to as "Newly Developed Methods". This work has been supported by multiple NRC personnel and this letter serves to transmit the PWR Owners Group material to the NRC and JCNRM so that they may have them for informational purposes.

Enclosed please find, PWROG-19027-NP, Revision 0 "Newly Developed Method Requirements and Peer Review," (Non-Proprietary). (Enclosure 1)

If you have any questions, please do not hesitate to contact me at (805) 550-4168 or Mr. W. Anthony Nowinowski, Executive Director of the PWR Owners Group, Program Management Office at (412) 374-6855.

Sincerely yours,

Ken Schrader
