DOCKET NO. 11005711

DOCKETED
USNRC

March 17, 2008 (3:30pm)

OFFICE OF SECRETARY
RULEMAKINGS AND
ADJUDICATIONS STAFF

727

3-10-08

To Whom It May Concern:

I speak for many friends & relatives who probably won't write to ask that you not approve Energy Solutions request for receiving radioactive waste from Italy or anywhere else! If a country or state creates the waste, they should have to handle it within their own borders! I've lived in Utah for over 65 years & hate to see it become a waste dump! Please don't approve this request!
