TO WHOM IT MY CONCERN:

STOP THIS MADNESS —

UTAH, SHOULD NOT BECOME A DUMPING GROUND FOR TOXIC WASTE

THE N.R.C. NEEDS TO TAKE OF THE PEOPLE OF THE UNITED STATES OF AMERICA FIRST AND FOREMOST.

I BELIEVE THAT ANY COUNTRY THAT HAS THE TECHNOLOGICAL CAPABILITY OF PRODUCING NUCLEAR POWER WITHIN IT'S BORDERS SHOULD NOT SEEK TO DISPOSE OF IT'S WASTE OUTSIDE OF THEM —

IS ENERYSOLUTIONS A ITALIAN COMPANY? IF NOT SHAME ON THEM, FOR THE SELLING OF AMERICA TO THE GREED OF COMPANY BIG WIGS.

LET THE ITALIANS DUMP THEIR WASTE IN THE COLISEUM AND HAVE ENERYSOLUTIONS MARKET THAT DEAL, YEA RIGHT!

N.R.C. NEED TO REJECT THIS LICENCE TO DUMP IN OUR GREAT STATE, THE WESTERN DESERT IS THE MOST BEAUTIFUL COUNTRY, IT'S STILL WILD, WE STILL HAVE WILD HORSE, MUSTANGS WHY WOULD WE WANT TO DESTROY OUR ENVIROMENT YOUR ETHIC AND MORAL DUTY IS AT STAKE, VOTE NO!

RESPECTFULLY,

MR & MRS ULIBARRI
