CORRECTIONS AND ADDITIONS TO THE TESTIMONY OF RICHARD A. HILL ON SUFFOLK COUNTY CONTENTION 10 -- ECCS CORE SPRAY

Rather than await the introduction of this testimony to make the changes noted below, we do so now. The changes involve Q&A 10 to 12:

(1) In Answer No. 10, a sentence beginning "Preliminary results" has been added;

(2) In Question No. 11, the phrase "Do the BN-81-49 and other" replaces "Do the Japanese";

(3) In Answer No. 11, a sentence beginning "Even at zero" has been added; and

(4) In Answer No. 12, the phrase "side entry orifice" replaces "lower tie plate."

To reflect these additions and corrections, the phrase "uneven or low" in the "Purpose" statement accompanying Mr. Hill's testimony, line three, has become "uneven, low or no."

Respectfully submitted,
LONG ISLAND LIGHTING COMPANY
