NRC STAFF'S MOTION FOR ENLARGEMENT OF
PAGE LIMITATION OF APPELLATE BRIEF

The Staff requests enlargement of the page limitation on its appellate brief in this matter from the current seventy pages to ninety pages. Intervenor CCANP was granted leave, and has filed, a brief of ninety pages. The Applicant filed a motion (on August 7, 1984) for a similar page enlargment.

While the Staff will endeavor to meet the original limitation, at this time it appears that the additional pages may be necessary to address adequately the issues presented to the Appeal Board.

Respectfully submitted,

Oreste Russ Pirfo
Counsel for NRC Staff

Dated in Bethesda, Maryland
this 11th day of August 1984.
