Re: Gammapar LLC
License # 45-11496-02

Dear Assistance Team:

This license is under the control and direction of Gammapar, LLC in Forest VA. Another Corporation under the control of the same management team is Prism Enterprises, LLC. They operate the PermaGrain operations in Karthaus, PA. In order to improve coordination and communications these operations and staff are being consolidated under a new corporation, Nydree Flooring, LLC at the old Gammapar address in Forest VA. All functions of the Gammapar, LLC and Prism Enterprises, LLC will be terminated and the Corporations dissolved.

We request that you transfer the Gammapar name and license to the Nydree Flooring, LLC. This company will have the same owners and management team as the previous company. The revised FINANCIAL ASSURITY documents are attached.

The management team of Nydree Flooring will continue to insure that the procedures and requirements of the current License are followed and all of the SafeGuards requirements are enforced. If you have any questions please contact our license RSO at 484-437-2564.

Thank you, for your assistance in this manner.

Sincerely;

Barry Brubaker
