PUBLIC MEETING ANNOUNCEMENT

Title: Advanced Reactor Oversight Process Public Workshop

Date(s) and Time(s):

October 28, 2026, 09:00 AM to 11:30 AM

Location: Hybrid
11555 Rockville Pike Commissioner's Hearing Room

Rockville MD

Category: This is an open meeting. Public participation is actively sought for this meeting to fully engage the public in a discussion of regulatory issues.

Purpose: The purpose of this meeting is to provide an overview of ongoing development activities associated with the Advanced Reactor Oversight Process (AROP), including the structure and key elements being considered for the AROP framework. NRC staff will discuss concepts under evaluation for the AROP framework, focusing on performance monitoring and approaches for assessing operational and safety performance at advanced reactor facilities.. Additionally, a portion of the meeting will be dedicated to obtaining stakeholder feedback and recommendations. Specifically, the NRC staff is seeking engagement on potential performance indicator program elements to inform the ongoing development of the AROP framework.
