Eric,

This is the UniStar response to your question.

John Rycyna

From: Wrobel, George [mailto:George.Wrobel@unistarnuclear.com]

Subject: EP

In our COLA section 1.9, we state that we conform to the NUREG-0933 items in effect 6 months prior to the application submission for any NA-COLA items listed in the DCD. The actual information is in Part 5 as part of the Emergency Response Plan.

Some type of indicator to that effect would have been appropriate.
Call me with questions.
