Office of the Secretary
U.S. Nuclear Reg. Commission
Washington, D.C. 20555
Attn Rulemaking + Adjudications

Dear Sir:

I am referring to Energy Solutions Import License Application IW023. I implore you to vote ~~on~~ NO regarding using U.S as the world's nuclear dumping ground. Here in Tn we are running out of space to dump our own garbage let alone nuclear waste. Other countries should bear their own responsibility in disposing of their own waste.

Yours truly
(Mrs) Rosalyn O Waltz
