MEMORANDUM TO: Mary S. Givvines, Controller
Office of the Chief Financial Officer

FROM: Mona S. Williams, Chief ***/RA/***
License Fee Team
Division of Financial Management
Office of the Chief Financial Officer

SUBJECT: REQUEST FOR APPROVAL TO WRITE-OFF A DELINQUENT DEBT (WRITE-OFF NUMBER FY2008-17)

The License Fee Team (LFT) has been attempting to collect the unpaid delinquent debt of Radiametrics, Inc. Radiametrics, Inc. was issued Invoice Number AM3790-07, in the amount of $3,650.00 on December 5, 2007, for materials annual fees. Radiametrics, Inc. is no longer in business and the LFT has determined that the debt is not otherwise collectible. The LFT recommends that this invoice be written off. This recommendation is consistent with 10 CFR 15.55(a) which states that collection activity may be terminated when it becomes clear that the U.S. Nuclear Regulatory Commission (NRC) cannot collect or enforce collection from the debtor having due regard for the judicial remedies available to the NRC, the debtor's future financial prospects, and the exemptions available to the debtor under State and Federal law (e.g., out of business). The amount recommended to be written off is $3,859.52 (includes interest, penalties, and administrative charges). If approved for write-off, we will issue a 1099C to the IRS and the debtor.
