Mail Control or Report No(s). 142442 License No(s). 29-28041-01 Docket No(s). 030-30030

Name of Licensee:	Physician's Imaging Center (PIC)
Name of Participant(s):	Betsy Ullrich, NRC
Telephone No.	732-530-7979 is no longer assigned to this licensee RSO # on licensing worksheet is 303-541-0044 in Colorado
Subject: (NOTE: This will be used as the Documents Title in ADAMS)	Need correct license number, copy of license, for Besser's preceptor

Summary: The licensee has requested two new authorized users. The preceptor for Dr. Besser listed an NRC license number that does not exist, and the preceptor works in Staten Island, NY which would not be issued an NRC license. I called to obtain the correct license number for the preceptor and a copy of the license.

However, there was no contact phone number or email on the incoming letters. The license worksheet listed the number for Charles Rose (administrator, and named as contact in the letters) as 732-530-7979. This number contacts to the office of Ruth Bern, apparently is no longer assigned to PIC. The licensing worksheet listed Catherine Coronia as the RSO at 303-541-0044, a Colorado number. Cathy who answered the phone said that Catherine Coronia is located in NJ; when I explained I do not have a working number, she had Sandy speak with me. Sandy stated that Catherine was only a part-time employee, but that Sandy was familiar with the amendment request and would get me the needed information. She was unable to give me a NJ phone number for PIC.

Yahoo Yellow Pages has the number 732-380-9090. I called this number at 2:20 pm and contacted the secretary at PIC. Neither Charles Rose nor Catherine Caronia were available. I left a message for them, also let them know that I had spoken to the Boulder, CO office.
