ADDITIONAL INFORMATION

7C (b)(6), (b)(7)c was questioned to determine if he was ever monitored for internal or external radiation exposure and he said he has not been.

7C (b)(6), (b)(7)c has worked at the facility since (b)(6), (b)(7)c 7C and at the time (b)(6), (b)(7)c had UF4 spilled on him 7C the facility was called Gardinier River Inc. At present the company no longer manufactures UF4. It is now a fertilizer plant.

7C (b)(6), (b)(7)c stated he had worn protective clothing before but that he was not wearing it at the time 7C his skin was exposed to the UF4 on (b)(6), (b)(7)c 7C He remembered an ALARM being sounded by workers when he was exposed to the UF4 and workers assisting him while he showered off. He stated his eyes were flushed by medical personnel and documented on his medical record. however his medical record did not indicate he was exposed to UF4. His medical record did state he was exposed to a chemical.
