Serita – We will be submitting the Harris COLA on 2/19/08 at 1330. We will be glad to meet with NRC reviewers to provide an overview of the COLA and suggest that the meeting be planned on 3/5 or 3/6 or the week following. I think that if we allow 3-4 hours that should be adequate time.

We would provide a brief overview of the structure/content, Environmental and Geotechnical summary. Let me know when you would like to plan for this meeting. I would be glad to discuss at your convenience. Thanks
