Is that you and someone else? Can you please provide their names so I can get them access to the site.

Thanks,
Jessie

Hi Jessie,

There will also be two DHECers from the NPDES Program who want to go on the hydrology tour.

Rusty

Rusty,
Please find attached the travel details and site tour logistics for the Lee activities next week. As I understand, you will be attending Tuesday's site visit and agency meeting in Gaffney. Please review the discipline-specific tour options on Tues afternoon and let me know which ones you would like to attend so we can make the appropriate arrangements with Duke.

If you have any questions about the information I provided please let me know. My cell phone number is provided in the attachment as well. I look forward to meeting you next week.

Thanks,
Jessie Muir

Subject: NRC's Site Audit and Public Scoping Meeting for the Proposed Lee Nuclear Station

Mr. Wenerick,
As we discussed on the phone, I am sending you information regarding the NRC's site audit and public scoping meeting related to the Lee Nuclear Station in Cherokee County. A quick breakdown of the week's activities is provided below and a more detailed schedule is attached.

Tues, April 29th – Gaffney, South Carolina – on-site tours of the Lee site and agency interface meeting;
Wed, April 30th – Charlotte, North Carolina – documentation review at Duke offices; and
Thurs, May 1st – Gaffney, South Carolina – open house (5-7p) and public meeting (7-10p) at Gaffney High School.

The Environmental Report, submitted by Duke Energy as part of their license application, can be found online at:
http://www.nrc.gov/reactors/new-licensing/col/lee.html. Once there, click on “Applicant Documents” and then “Part 3: Environmental Report.”

Also attached is the Federal Register Notice (FRN) published on March 21st for the Notice of Intent to Conduct Scoping. The FRN provides details about the public meeting and how to formally submit scoping comments.

Please let me know if you and/or any other DHEC staff will be able to attend any of the week's activities and I can forward on more detailed information regarding locations and times. If you have any other questions, please give me a call at 301.415.0491.

Sincerely,
Jessie M. Muir
