Amy:

Mark Thaggard will not be attending the site audit. (He was the Hydrology Branch chief was coming for just the 2 days of the safety audit.)

Also I failed to note that Paul Michalak will be departing on Tuesday evening due to a previous obligation. I had always known that, I had simply forgotton.

I made a few changes to the audit schedule that you sent me yesterday and it is with PNNL to confirm. I will forward to you as FINAL along with the final Info Needs.

I guess the only thing I am waiting for on your end is the final version of the transmission/ecology tour.

Or have I forgotton something?

Thanks for all your help.
Tami

I have decided forgo attending the Grand Gulf site audit next week. Given that I am away from the office this week, and will be on vacation the week following the trip, I think that it is prudent for me to forego the trip.
