STEVE:

ATTACHED IS A SKETCH SHOWING THE APPROXIMATE LOCATION ('X'-MARK) OF THE PILE IN RELATION TO WATER LINE ROUTING.

NIKKI HORTHER WAS VERY HELPFUL IN MARKING UP THE LOCATION.

TIME:

Sara,

Per your drawing, the pile is very close to the line and it actually could be on either side. There is a ditch that runs N to S that is not on the drawing that would help determine where the pile should be located.

IF YOU DO NOT RECEIVE ALL PAGES OR TRANSMISSION IS INCOMPLETE, PLEASE CALL IMMEDIATELY!
