5/16 Taylor

- "Reserving over options" can't say yes or no. whether they will take enforcement.
- legalistically. Not as secure as I am
- seeking the middle ground
- need to look at broad things as separate issue from 11 issues
- want me to put in writing why license request with team.
- no tie between the 2 issues?
- do it as I see it.

EXHIBIT 64

5/29 Thompson

- Appendix 6 ltr. not a final answer.
- should I write a letter
- Stella asked that I put out Blazer on what NRC. will fax to me today.
- several hundred I&H

Before end of July all of top 5 priorities ≈ 700

✓

- one area making them nervous is design control (Taylor is worried. He is satisfied)
- any significant changes to corp plan before 6 June NRC bring.
- Gr on I&H study almost ready

3/30 Stello

- appendix Bltr.

I will and Kelly & Kirkbe &

help out anyway I can.

~~[illegible]~~ contact Denton

- would be better. ~~[illegible]~~

Haemer specific item of non compliance

with ~~with~~ appendix B.

- worried about 49 didn't meet on this -

an element

- useful

- moving down equipment to

copy

- [illegible] - on going investigation

3/20 Denton

Perception - 2 parts. Today NTA with appx B
(assume theory, ongoing are
not in violation
- In the past many human bad
probs!

Intent is to correct to
— crossing bridge I don't have to.
— I still don't have completed investigations
— He is incurred His perception — helps
— No information to the contrary.

Team Review of IRH files. #of technical issues not included conflict of my need to know confidentiality. If they are specific concerns — Co

— Possibly I.G. should think —
— Tomorrow

3/20 Stello 301-299-7692

- Didn't want to put pressure on me we may end up in disagreement
- signifiant
- If he was in my shoes he would wait. Still don't have enough from QTC to form judgment - no need to make decision until necessary.
- SQN? - make decision before start up & deal with WBN when it comes up

— creating controversy & I may have to authorize
— what is gained
— allegation is WBN only
— no pressure from them

[redacted]

3/24/[illegible]

— Denton is worried that I am trying to close the door on the 10 issues
— my letter is not to close the 10 issues
— the review of the 10
It should be noted that the technical review of the 10's continuing

3/21 Stello

Changed sentence

3/21 Dendon

I have added a sentence

3/21 Kelly / Dunn

✓ Denton / Thompson / Greenfield / Kenyon

✓ Robinson

✓ amicable / friendly

✓ philosophy about appendix B

✓ each of 10

✓ ~~[illegible]~~ fo[illegible]ally in agreement with NSRS

DPOs. — This is the issue

✓ We should have resolved

~~those~~ with DPOs.

✓ Probably won't have any

technical issues.

✓ Practices - got better over time [illegible] as

Industry in generally

✓
