Subject: U.S. EPR Design Certification Application RAI No. 31,, FSAR Ch 5

Attached please find the subject requests for additional information (RAI). A draft of the RAI was provided to you on July 14, 2008, and on July 18, 2008, you notified the NRC that there was no need for a conference call on this RAI. of RAIs. For any RAIs that cannot be answered within 30 days, it is expected that a date for receipt of this information will be provided to the staff within the 30 day period so that the staff can assess how this information will impact the published schedule.
