Based on my cursory review, here are the most obvious changes:

1) **Emergency Preparedness is scheduled for Monday, 1:00 – 3:00 pm.**
2) **There is an additional hydrology reviewer, Yanely Malave. Is he/she a surface water or groundwater specialist?**
3) **I see Dan Strom is not listed for HP&W on Tuesday afternoon. Is this an oversight, or has he been removed from that session?**
4) **Wednesday morning and later sessions – Cultural Resources and Socioeconomics – I removed the TVA and Enercon folks from those sessions, as I understood that the off-site visits would be done by NRC and PNNL alone. Please confirm this is correct.**
5) **I removed Ed Roach and Steve Schaffer from the Noise session on Wednesday morning. Please confirm this is correct.**
6) **PLEASE NOTE: I changed the end time for all of your afternoon sessions from 5:00 pm to 4:00 pm, as you start your debriefs at 4:00.**

Did I miss anything???
