Perfect. I have a 10:00 conference call, but it should be over by 11:00. And if it's not, I will happily excuse myself to catch your call. Then I am leaving early for the day - tomorrow is the first day of school and I want to spend some time at home today preparing.

You can always count on Biggens. By the way, can we meet on South Texas RAIs at 2pm (my time). Butch, Jim and I will call you.

Paul

Got them. I didn't see anything earth-shattering, but do need a couple of clarifications. Thanks goodness for Mr.. Biggins' keen, cat-like eyesight because he caught some mistakes I missed.

Hi Nona,

I sent you 2 faxes as their were 82 pages (of course, not all with comments) of the SSR or the Scoping Summary Report. Ok I will stop being silly.

Paul :-)

I have a meeting right now – can't talk. Biggins may want to hear our RAI discussion anyway. Will be back in time for your call at 11:00.
