Betsy:

When I received the new license I confirmed that the requested change was made but I didn't compare the old and new licenses side by side. I took a good look at the new license now. Other than the activity limit discrepancy that you mention below, I only noticed some the new 5 year retention periods for leak test and physical inventory records. Everything else seems consistent.

Please let me know if I need to do anything else.

Vince,

Please check your license. Dennis was going over your recent FA submittal, and noticed that I mis-placed some maximum amounts on your Amendment 45. H3 should be 2000 ci not 2; C14 should be 100 Ci not 2000 Ci. Do you see anything else that is not correct?
