Subject: RAI (143066) dated 12/11/08
(NOTE: This will be used as the Documents Title in ADAMS)

In the letter dated 12/8/08, the DOA requested that Eva Smietano, M.D. be listed on the license as an AU of 35.100; 35.200; 35.300; and 31.11 materials. A copy of the letter from the ABR was submitted as evidence that Dr. Smietana had passed her oral boards in June of 2008 and was AU Eligible. I attempted to confirm with the ABR that Dr. Smietana had been board certified in June 2008. The ABR would not give me that information and stated that Dr. Smietana should have a copy of her certificate because they were sent on 9/11/08. Therefore, I called 1LT Sarah Sublett, RSO to get a copy of the ABR certificate. I also informed her that, based on the information provided, Dr. Smietana would not be eligible for 35.300 materials. A completed NRC Form 313A(AUT) would need to be completed by her preceptor.

I also informed her that Dr. Tate would not be authorized for 35.500 materials because the documentation of his training and experience did not show the use of 35.500 materials.

Action Required: Wait for the ABR certificate
