**Subject:** RE: Call on Vogtle ASER Questions

Brandon,

Sorry for taking so long to get back to you. I spoke with Jim yesterday and let him know that I would not be able to support a call today, and that probably Thursday would work. I also informed of the staff's request for an extension to January 16th for response to the ASLB's questions. Hope that helps.

Christian

Subject: Call on Vogtle ASER Questions

Christian,
I hope all is well for you. We are working on a strategy for the ASER questions. I would like to discuss with you the help you may need for the questions so we can properly prepare. Can we have a brief (30 min) call tomorrow? Please indicate the best time for you and I to connect?

Thanks,

Brandon Waites
