Subject: Advanced Safety Evaluation Report on the VEGP ESP and LWA Part 3b/3

Jim,

Attached are the pdf files for each of the individual chapters in the advanced SER. Please begin your proprietary review. Following your review, the documents will be made public in ADAMS and will be posted on the NRC's public website. Let me know if you have any questions. The signed cover letter should go out today. Please confirm receipt of the attached files. Thanks.
