Telephone No.	757.436.1111
Subject: (NOTE: This will be used as the Documents Title in ADAMS)	Hazmat training certificate
Summary:	During the on-site inspection in October 2008, it appeared that Mr. Martel's hazmat training had expired. The inspector requested Mr. Briody, the licensee's corporate RSO, to perform a review of the gauge users located in the Chesapeake office to determine who else needs hazmat refresher training. However, in Mr. Briody's 12/15/08 correspondence, it appears that Mr. Martel's hazmat had not expired. Due to this conflicting information, the inspector has requested the licensee fax a copy of Mr. Martel's hazmat training certificate to the RI office ASAP.
Action Required:	wait for response from licensee
